DEPOSIT/REFUND POLICY: A \$200 deposit is required to confirm holiday reservations or weekly reservations. One night's deposit will confirm shorter stays.

For most of the year, deposits are refundable (less a \$50 cancellation fee), or may be applied in full to your next reservation provided cancellation is made 30 days prior to your reservation date. Cancellations made with less than 30 days notice will be refunded (less cancellation fee) *only if we are able to rebook the vacancy.*

Summer Reservations (weekly only, mid-June through late August) and **Holiday Reservations** are both in very high demand, but are difficult to rebook at the last moment. For summer reservations we require the \$200 deposit by March 1st. Payment in full is due by May 1st. For holiday reservations, we require full payment 30 days in advance. These payments become your deposit. Cancellations require a written or email notice. Summer cancellations made with less than 60 days notice will be refunded (less fee) only if we are able to rebook the vacancy. For holidays, the notice requirement is 30 days.

Special Winter Information:

We are in the mountains and it snows in the mountains during the winter. You may have to use chains to get here. Unless the roads are impassable due to extreme conditions, you are responsible for your reservation. This is especially applicable during holidays and other high demand periods during which we have turned away other guests. During lighter demand periods, we will gladly reschedule your visit.

Please note: Access via Scott Mountain (north of us on Highway 3) can be uncertain during winter. Please realize it may be necessary to take longer open routes.
